## U.S. News and World Report

**Posted: July 15th, 2014**

The 2014-15 rankings cover nearly 5,000 medical centers across the country and span 16 medical specialties from cancer to urology. Hospitals with very high scores in at least six specialties earned a spot on the Honor Roll. Just 17 hospitals made this year's list.

**Our purpose:** Working with healthcare providers in fulfilling their mission of caring for patients, by providing reliable value through exceptional service, uncompromising quality and significant cost savings.

1. **Mayo Clinic, Rochester, Minnesota**
